Report of Independent Auditors

Board of Directors
Navy-Marine Corps Relief Society
Arlington, Virginia

We have audited the accompanying financial statements of the Navy-Marine Corps Relief Society (the Society), which comprise the statements of financial position as of December 31, 2013 and 2012 and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Society as of December 31, 2013 and 2012 and its activities, functional expenses and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Navy-Marine Corps Relief Society

Notes to Financial Statements

Years ended December 31, 2013 and 2012

Note A - Organization

The Navy-Marine Corps Relief Society (the Society) is a non-profit charitable corporation founded in 1904. The Society consists of a headquarters located in Arlington, Virginia, and field offices located at U.S. Navy and Marine Corps installations throughout the world. The mission of the Society is to provide, in partnership with the Navy and Marine Corps, financial, educational and other assistance to members of the naval service of the United States, and their eligible family members and survivors, when in need, and to manage funds to administer these programs. Financial assistance may be in the form of interest-free loans, direct relief grants, educational loans, educational grants, or any combination thereof. The accompanying financial statements include the accounts of the Society's headquarters and its field sites.

Note B - Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

Use of Estimates

Preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Society has evaluated subsequent events for disclosure and recognition through April 23, 2014, the date on which these financial statements were available to be issued.

Classification of Net Assets

Activities of the Society are recorded in the following net asset categories:

Unrestricted net assets - net assets that are not subject to any donor-imposed stipulation or other legal limitation.

Temporarily restricted net assets - net assets received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note B - Summary of Significant Accounting Policies (Continued)

Classification of Net Assets (Continued)

Permanently restricted net assets - net assets subject to donor-imposed stipulations that require the Society to maintain the principal in perpetuity.

Revenue Recognition

Pledges and contributions result primarily from an annual fundraising drive sponsored by the Secretary of the Navy and held at Navy and Marine Corps commands throughout the world. Pledges and contributions are recorded in their entirety at the time they are made. Contributions received are recorded at fair value as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. The Society estimates contributions receivable and pledges receivable based on prior years' experience and management's analysis of specific promises made. All amounts are considered current.

Loans Receivable - Assistance and Education

The Society's loans receivable are reported on the statements of financial position, net of an allowance for doubtful accounts. In accordance with U.S. GAAP, loans made and repayments of loans affect the calculation of the loan balance and are not shown as income or expense. Due to the unique nature of the amounts due from loan recipients, it is not practical to estimate their fair market value.

Educational and direct relief loans are recorded at face value, bear no interest, and are generally due in monthly installments over periods deemed appropriate by caseworkers. The loans have widely varying maturities and are based upon need rather than credit worthiness of the borrower. Some loans are converted into grants and thereby expensed when it becomes apparent that the individual is in financial need and is unable to repay the Society. Some loans are written off as uncollectible. The Society determines loans to be uncollectible when payments are not received as scheduled.

Delinquent loans are charged to the allowance for doubtful accounts when internal collection efforts have been exhausted and the account is deemed uncollectible. The Society evaluates the adequacy of the allowance on an annual basis based on historical loss experience. Loans written off as expenses are shown net of recoveries in the financial statements.

Investments and Fair Value Measurements

All investments are carried at fair value, with gains and losses included in the statements of activities. Gains and losses on investments reflected in the accompanying statement of activities include gains and losses realized upon sales and unrealized gains and losses resulting from fluctuations in market values of investments, net of related investment management expenses. Gains and losses upon sales are calculated using the average cost method.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note B - Summary of Significant Accounting Policies (Continued)

Investments and Fair Value Measurements (Continued)

The Society's estimates of fair value for financial assets and liabilities are based on the framework established in the fair value measurements and disclosures accounting guidance. The framework is based on the inputs used in valuation and requires that observable inputs be used in the valuations when available. The disclosure of fair value estimates in the fair value accounting guidance includes a hierarchy based on whether significant valuation inputs are observable. In determining the level of the hierarchy in which the estimate is disclosed, the highest priority is given to unadjusted quoted prices in active markets and the lowest priority to unobservable inputs that reflect the Society's significant market assumptions. The three levels of the hierarchy are as follows:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities traded in active markets.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability and market-corroborated inputs.

Level 3 – Valuations based on models where significant inputs are not observable. The unobservable inputs reflect the Society's own assumptions about the inputs that market participants would use.

Fair values are based on quoted market prices when available (Level 1). When market prices are not available, fair value is generally estimated using current market inputs for similar financial instruments with comparable terms and credit quality, commonly referred to as matrix pricing (Level 2). In instances where there is little or no market activity for the same or similar instruments, the Society estimates fair value using methods, models and assumptions that management believes are relevant to the particular asset or liability. This may include discounted cash flow analysis or other income based approaches (Level 3). These valuation techniques involve some level of management estimation and judgment. The Society recognizes transfers between levels in the fair value hierarchy at the end of the period for the event or change in circumstances that caused the transfer.

Income Taxes

The Society is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. In addition, income in the statements of activities has been properly classified as exempt. Accounting standards require an entity to analyze the technical merits of its tax positions and determine the likelihood that these positions will be sustained if examined by the taxing authorities. Management has evaluated its tax positions and concluded that the Society has properly maintained its exempt status. In addition, the Society has concluded that there are no uncertain tax positions as of December 31, 2013. The three prior tax years are subject to examination by taxing authorities; there are currently no examinations being conducted.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note B - Summary of Significant Accounting Policies (Continued)

Inventory

Donated inventory located at the Society's thrift shops is valued at its estimated net realizable value. Management has determined that its thrift shop sales are generally exempt from sales tax. In 2009, California passed legislation that specifically exempted the thrift shops from sales tax until January 2014; subsequently, the exemption has been extended until January 2024. While this legislation is not retroactive, the Society has maintained it has tax exempt status as a part of the Employee Retirement Income Security Act of 1974 (ERISA).

During 2013, branded items were purchased in bulk quantities resulting in inventory at year end. This inventory is valued at cost.

Property and Equipment

Property and equipment are capitalized at cost for purchases over \$2,500. Property and equipment are recorded at cost, less accumulated depreciation. Depreciation is computed using the straight-line method over the estimated useful lives of three to five years for the respective assets.

Cash and Cash Equivalents

The Society considers cash and cash equivalents to include only demand deposits. Money market accounts and short-term, highly liquid investments purchased for its trading accounts and handled by investment managers are treated as investments rather than cash equivalents. The carrying amounts approximate fair value because of the short duration of these instruments.

Allocation of Expenses

Certain costs have been allocated among the programs and supporting services benefited. The Society allocates its costs based on salaries among three categories: program services, management and general, and fundraising.

Concentrations of Credit Risk

Financial instruments that potentially subject the Society to significant concentrations of credit risk consist principally of cash, investments and loans receivable. Substantially all of the Society's cash and cash equivalents are maintained in a single bank. The Society has exposure to credit risk to the extent that its cash and cash equivalents exceed amounts covered by Federal Deposit Insurance Corporation. The Society has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk on cash and cash equivalents. With respect to investments, the Society limits its credit risk by diversifying its investments and working with many different investment managers. At December 31, 2013 and 2012, the Society had uncollateralized loans receivable totaling \$22.5 million and \$19.2 million, respectively, all to present or former service members of the Navy or Marine Corps, their eligible family members and their survivors. The Society believes that its credit risk for these loans is not significant.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note B - Summary of Significant Accounting Policies (Continued)

Concentrations of Credit Risk (Continued)

The Society enters into transactions in financial instruments with off-balance-sheet risk. These financial instruments include futures contracts, which contain varying degrees of off-balance-sheet risk. This involves changes in the market values of the securities or money market instruments underlying the financial instruments that may be in excess of the amounts recognized in the statements of financial position.

Futures contracts provide for the delayed delivery of securities or money market instruments with the seller agreeing to make delivery at a specified future date, at a specified price or yield. Risk arises from the potential inability of counter-parties to perform under the terms of the contracts, and from changes in securities' pricing and interest rates.

Securities sold, but not yet purchased, represent obligations to deliver the specified security at the contracted price and thereby create a liability to repurchase the security in the market at prevailing prices. Accordingly, these transactions result in off-balance-sheet risk, as the ultimate obligation to satisfy the sale of securities sold, but not yet purchased, may exceed the amount recognized.

In the normal course of business, the Society is also subject to the credit risk associated with the non-performance by counter-parties of their contractual obligations pursuant to securities and foreign currency transactions.

Reclassifications

Certain accounts in the prior year financial statements may be reclassified for comparative purposes to conform to the presentation in the current year financial statements.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note C - Investments

The Society follows a policy of diversification of its investments in order to reduce volatility of price fluctuations in its overall portfolio and balance risk/return levels to meets its financial goals. Investments are stated at fair value and consist of the following at December 31:

	2013	2012

Notes to Financial Statements (Continued)

Note C - Investments (Continued)

In 2013 and 2012, investment managers invested in market neutral equity strategies which may be equitized by holding long positions in future contracts on securities that comprise major stock indices.

The investments managed by investment managers invested in market neutral equities and short-term investments consisted of the following at December 31:

	Numeric Investors		The Boston Company	
	2013	2012	2013	2012
Equities - long positions	\$ 7,382,730	\$ 9,221,876	\$ -	\$ 4,711,046
Equities - short positions	(7,408,860)	(9,296,967)	-	(4,781,995)
Short-term investments	7,667,518	9,786,987	-	4,927,707
	<u>\$ 7,641,388</u>	<u>\$ 9,711,896</u>	<u>\$ -</u>	<u>\$ 4,856,758</u>

The Society's common stocks include securities in several industries including industrials, energy, consumer discretionary and staples, technology, and financial services. The Society's fixed-income securities include investments in U.S. government and agency bonds. The Society holds a beneficial interest in the Behannon Perpetual Trust, which is valued at the fair value of the Society's share of the assets in the trust at year end.

During 2013, the Society invested in a hedge fund, the O'Connor Global Multi-Strategy Limited (the Fund). The Fund is not publicly traded; the Society therefore values its investment in the Fund at the net asset value (NAV) as reported by the fund manager, multiplied by the number of units held. The net asset value of the Fund is based on the fair value of the underlying securities held by the Fund. The investment manager reserves the right to adjust the reported NAV if it is deemed to be not reflective of fair value. Because of the inherent uncertainty in the valuations of these investments, their estimated values may differ significantly from the values that would have been used had a ready market for the investments existed, and the difference could be material. As permitted by GAAP, the Society uses the NAV as a practical expedient to determine the fair value of this private investment vehicle.

The Fund is a feeder fund in a master-feeder structure whereby the Fund invests substantially all of its assets (other than as may be necessary to pay any Fund level expenses and implement any currency hedges) in the O'Connor Global Multi-Strategy Alpha Master Limited (the Master Fund), a company organized under the laws of the Cayman Islands. The investment objective of the Master Fund is to realize consistently high risk adjusted appreciation in the value of its assets. The Master Fund seeks to achieve its investment objective primarily through a combination of multiple strategies, which may include but are not limited to fundamental market neutral long/short, long/short equity, convertible arbitrage, merger arbitrage, credit trading, opportunistic, macro and quantitative strategies.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note C - Investments (Continued)

The categorization of the Fund within the fair value hierarchy is based on the ability of the Society to transact at NAV. The Fund has notice requirements for redemptions which requires notification no later than the last business day of the first month of the quarter in which the shareholder wishes to redeem. As of December 31, 2013 there were no unfunded commitments related to the Fund.

Investments were recorded at fair value as of December 31, 2013 based on the following level of fair value hierarchy:

	Quoted Prices in Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Total
Common stocks	\$ 67,276,395	\$ -	\$ 67,276,395
Fixed income securities	83,636	-	83,636
Short-term investments	3,391,641	-	3,391,641
Market neutral equities	7,641,388	-	7,641,388
Mutual funds	27,306,714	-	27,306,714
Beneficial interest in perpetual trust	-	635,179	635,179
Hedge fund	-	5,327,265	5,327,265
	<u>\$ 105,699,774</u>	<u>\$ 5,962,444</u>	<u>\$ 111,662,218</u>

Investments were recorded at fair value as of December 31, 2012 based on the following level of fair value hierarchy:

	Quoted Prices in Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Total
Common stocks	\$ 60,741,094	\$ -	\$ 60,741,094
Fixed income securities	83,958	-	83,958
Short-term investments	3,052,404	-	3,052,404
Market neutral equities	14,568,654	-	14,568,654
Mutual funds	23,388,707	-	23,388,707
Beneficial interest in perpetual trust	-	583,138	583,138
	<u>\$ 101,834,817</u>	<u>\$ 583,138</u>	<u>\$ 102,417,955</u>

There were no transfers between levels during the years ended December 31, 2013 or 2012.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note C - Investments (Continued)

Composition of investment return is as follows for the years ended December 31:

	<u>2013</u>	<u>2012</u>
Realized gains	\$ 7,896,825	\$ 4,834,886
Unrealized gains	10,323,426	5,846,474
Management fees	<u>(798,909)</u>	<u>(614,137)</u>
Realized and unrealized gains, net	17,421,342	10,067,223
Interest and dividends	<u>1,779,928</u>	<u>2,382,750</u>
Total net investment return	<u>\$ 19,201,270</u>	<u>\$ 12,449,973</u>

Note D - Loans Receivable-Assistance and Education

The Society provides uncollateralized interest-free loans to eligible service members and eligible family members for help with emergency needs and education, such as:

- Emergency Transportation
- Funeral Expenses
- Medical/Dental Bills (patient's share)
- Food, Rent and Utilities
- Disaster Relief Assistance
- Child Care Expenses
- Essential Vehicle Repairs
- Unforeseen Family Emergencies
- Tuition Assistance

Credit quality indicators such as consumer credit risk scores, credit ratings, collateral, collection experience, etc. are not used for any criteria. The credit quality indicators used by the Society are internal metrics. Those internal metrics/assessments include verification of need, preparation of a budget, and ability to repay the loan.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note D - Loans Receivable-Assistance and Education (Continued)

An analysis of loan activity, which includes all loans for education programs as well as direct relief, is as follows as of December 31:

	2013	2012
Loans outstanding, beginning of year	\$ 19,239,590	\$ 20,756,475
Loans made	44,621,939	37,976,470
Collections on loans	(39,881,252)	(37,924,545)
Loans considered uncollectible	(1,078,973)	(1,159,206)
Loans converted to grants	(449,695)	(409,604)
Other adjustments	-	-
Loans outstanding	22,451,609	19,239,590
Allowance for doubtful accounts	(1,670,999)	(1,478,000)
Loans receivable, end of year	\$ 20,780,610	\$ 17,761,590

The following chart represents the aging of loans receivable by class of loan as of December 31, 2013:

	31 to 60 Days Past Due	61 to 90 Days Past Due	Greater than 90 Days Past Due	Total Past Due	Current	Total
Total Financial Assistance	\$ 74,954	\$ 38,351	\$ 255,858	\$ 369,163	\$ 22,082,446	\$ 22,451,609

The following chart represents the aging of loans receivable by class of loan as of December 31, 2012

	31 to 60 Days Past Due	61 to 90 Days Past Due	Greater than 90 Days Past Due	Total Past Due	Current	Total
Total Financial Assistance	\$ 78,879	\$ 54,097	\$ 207,106	\$ 340,082	\$ 18,899,508	\$ 19,239,590

Impairment of loans receivable is evaluated collectively on the aggregate balance, not on the individual loan basis. The calculation is an estimate based upon the average of the prior three years history of loans write-offs, conversions and total loan assistance. The allowance is then adjusted as calculations require.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note D - Loans Receivable-Assistance and Education (Continued)

The activity in the allowance for credit losses on loans receivable is as follows for the year ended December 31:

	2013	2012
Allowance, beginning balance	\$ 1,478,000	\$ 1,690,000
Current period additions	1,271,972	947,206
Current year write-off	(1,078,973)	(1,159,206)
Allowance, ending balance	\$ 1,670,999	\$ 1,478,000

Note E - Property and Equipment

The following summarizes the property and equipment accounts as of December 31:

	2013	2012
Office furniture and equipment	\$ 178,885	\$ 224,587
Computer equipment	2,195,193	1,638,325
Software	315,666	207,060
	2,689,744	2,069,972
Less: accumulated depreciation	(1,667,937)	(1,428,382)
Total property and equipment, net	\$ 1,021,807	\$ 641,590

Note F - Lines of Credit

The Society maintains a \$10,000,000 line of credit with Suntrust and a \$20,000,000 line of credit with UBS to provide funds to meet its short-term cash flow needs over the course of its operating cycle. The Suntrust line of credit expires on September 30, 2014 and carries an interest rate of the LIBOR 30-day index plus 1.25% per annum. The Turner Investment Partners, Small Cap account is pledged as collateral against the line of credit. The agreement allows for borrowing up to 75% of the market value (\$11.5 million as of December 31, 2013) of this investment account. The outstanding account balance with Suntrust at December 31, 2013 and 2012 was \$0 in principal for both years and \$6,874 and \$8,275 in accrued interest, respectively.

The UBS line of credit, which was established during 2013, carries an interest rate of the LIBOR 30-day index plus 1.75% per annum. One of the Society's investment accounts with UBS (current market value of \$35.6 million) is pledged as collateral. The outstanding account balance with UBS at December 31, 2013 was \$1,000,000 in principal and \$2,321 in accrued interest. The carrying value of both liabilities approximates fair value.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note G - Retirement Plans

The Society sponsors a defined benefit retirement plan (the Plan), a 403(b) salary reduction arrangement, and a 401(k) Plan. The Society does not contribute to the 403(b) Plan.

Under the terms of the Plan, a participant may retire at the later of attainment of age 65 or completion of five years of participation. Vesting in employer contributions is 0% for the first five years of service and full vesting occurs after five years. The Society's funding policy is to make the minimum annual contribution required by applicable regulations. Contributions are intended to provide not only for benefits attributed to service to date, but for those expected to be earned in the future. There are no Plan participant contributions. Effective January 1, 2011, any employee hired after that date will not be eligible to enter the Plan. The Society sponsors a 401(k) Plan for only those employees hired after January 1, 2011. Contributions to the 401(k) Plan were \$158,343 and \$65,630 for 2013 and 2012 respectively.

The Plan has established a trust to hold and administer the assets of the Plan and to pay benefits and expenses from the fund upon direction of the Plan administrators or the Society. The trustee, SunTrust Bank, provides an annual accounting of the administration of the fund. Beginning in 2011, the plan assets are managed by UBS. Contributions are also made as needed to an insurance company and funded in accordance with an actuarial estimate of amounts required to meet the benefits payable to pre-1986 retirees who are still covered under the terms of the Society's previous coverage.

U.S. GAAP requires that the unfunded status of the Plan be recognized as a liability in the statement of financial position and as a reduction of unrestricted net assets in the statements of activities.

The following table sets forth the Plan's funded status and amounts recognized in the Society's financial statements as of and for the years ended December 31:

	<u>2013</u>	<u>2012</u>
Accumulated benefit obligation	\$ 41,741,565	\$ 40,163,036
Projected benefit obligation	\$ (49,851,396)	\$ (47,945,414)
Plan assets at fair value	<u>37,624,619</u>	<u>33,567,614</u>
Funded status	<u>\$ (12,226,777)</u>	<u>\$ (14,377,800)</u>

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note G - Retirement Plans (Continued)

The amounts of contributions, benefits paid from the Plan, and net periodic benefit costs are as follows for the years ended December 31:

	2013	2012
Employer contribution	\$ 870,000	\$ 2,958,320
Benefits paid	\$ 2,043,252	\$ 2,269,270
Components of net periodic benefit costs:		
Service costs	\$ 1,912,584	\$ 1,850,718
Interest costs	1,994,116	2,056,075
Amortization of prior service costs	-	1,207
Amortization of actuarial loss	764,544	622,692
Expected return on plan assets	(1,742,884)	(1,778,571)
Net periodic benefit costs	\$ 2,928,360	\$ 2,752,121

The cumulative amounts that have been recognized as a reduction in unrestricted net assets not yet recognized as a component of net periodic benefit cost reported for the years ended December 31:

	2013	2012
Net loss	\$ (9,759,690)	\$ (13,969,073)

The amounts that have been recognized for the period as an increase (reduction) in unrestricted net assets arising from the Plan but not yet reclassified as components of net periodic benefit cost for the years ended December 31:

	2013	2012
Net gain (loss)	\$ 4,209,383	\$ (1,668,617)
Amortization of prior service credit	-	1,207
	\$ 4,209,383	\$ (1,667,410)

There are no accumulated prior service costs that will be amortized into net periodic benefit costs during 2014. The net loss that will be amortized into net periodic benefit costs during 2014 is \$764,544.

In determining the expected rate of return on plan assets, the Society considers the relative weighting of plan assets, the historical performance of total plan assets and individual asset classes and economic and other indicators of future performance. In addition, the Society may consult with and consider the input of financial and other professionals in developing appropriate return benchmarks.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note G - Retirement Plans (Continued)

Assumptions used in accounting for the Plan were as follows at December 31:

	2013	2012
Weighted-average assumptions to determine benefit obligations:		
Discount rate	4.25 %	4.25 %
Rate of compensation increase	5.00 %	5.00 %
Weighted-average assumptions to determine net periodic pension cost:		
Discount rate	4.25 %	5.00 %
Expected long-term rate of return on plan assets	5.25 %	6.00 %
Rate of compensation increase	5.00 %	5.00 %

Based on actuarial estimates, in 2014 the Society expects to contribute approximately \$1.95 million, \$435,000 related to plan year 2013 and \$1.5 million related to plan year 2014. The estimated future benefits payments are as follows for the fiscal years ending December 31, 2014 through 2024:

2014	\$	2,190,785
2015		2,304,168
2016		2,377,269
2017		2,465,033
2018		2,606,670
2019 - 2024		15,077,588
		\$ 27,021,513

Plan assets invested in mutual funds and money market accounts are carried at their fair market value based on market quotes as determined by the custodian. The fair value of each account is based on the fair value of the respective accumulation units as determined by the custodian on the last business day of the year. The Society also continues to hold an Immediate Participation Guarantee Contract, with First Allmerica Financial Life Insurance Company (Allmerica) acting as deposit administrator. These funds are deposited with Allmerica in a deposit administration fund and used to pay the benefits of two beneficiaries. The fair value of the Society's investment contract with Allmerica is estimated using contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

These valuation methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Society believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note G - Retirement Plans (Continued)

The following table sets forth by level, within the U.S. GAAP fair value hierarchy, the Plan assets at fair value as of December 31, 2013:

	<u>Level 1</u>	<u>Level 3</u>	<u>Total</u>
Bond mutual funds	\$ 10,485,851	\$ -	\$ 10,485,851
Equity mutual funds	22,963,012	-	22,963,012
Balanced mutual funds	3,659,171	-	3,659,171
Money market funds	416,817	-	416,817
Insurance company guaranteed account	-	99,768	99,768
	<u>\$ 37,524,851</u>	<u>\$ 99,768</u>	<u>\$ 37,624,619</u>

The following table sets forth by level, within the U.S. GAAP fair value hierarchy, the plan assets at fair value as of December 31, 2012:

	<u>Level 1</u>	<u>Level 3</u>	<u>Total</u>
Bond mutual funds	\$ 10,559,300	\$ -	\$ 10,559,300
Equity mutual funds	19,291,128	-	19,291,128
Balanced mutual funds	3,388,742	-	3,388,742
Money market funds	187,577	-	187,577
Insurance company guaranteed account	-	140,867	140,867
	<u>\$ 33,426,747</u>	<u>\$ 140,867</u>	<u>\$ 33,567,614</u>

There were no transfers between levels during the years ended December 31, 2013 or 2012.

A reconciliation of investments measured at fair value on a recurring basis with the use of significant unobservable inputs (Level 3) from January 1, 2012 to December 31, 2013 is as follows:

	<u>Insurance company guaranteed account</u>
Balance at January 1, 2012	\$ 123,676
Purchases, sales, issuances and settlements (net)	<u>17,191</u>
Balance at December 31, 2012	140,867
Purchases, sales, issuances and settlements (net)	<u>(41,099)</u>
Balance at December 31, 2013	<u>\$ 99,768</u>

The investment policy and target investment allocations for the plan assets for the fiscal year ending December 31, 2013 are designed to target 20% to 60% invested in fixed income securities, 40% to 80% invested in equity securities, and 0% to 40% invested in cash and cash equivalents.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note G - Retirement Plans (Continued)

The following table summarizes the plan assets by major category as of December 31:

	2013	2012
Equity securities	71 %	67 %
Fixed income securities	28 %	32 %
Other	1 %	1 %
Total	100 %	100 %

Note H - Restricted Net Assets

The Society acts as custodian and disbursing agent for a number of trust funds with specific restricted purposes. The net asset balances of the restricted portions of the funds are as follows at December 31:

	2013		2012	
	Temporarily Restricted	Permanently Restricted	Temporarily Restricted	Permanently Restricted
McAlinden Fund	\$ 128,618	\$ -	\$ 128,618	\$ -
Pentagon Assistance Fund	1,559,355	-	2,001,294	-
SCAMP Fund	-	250,000	-	250,000
Selfridge Fund	-	1,000,000	-	1,000,000
USS Cole Fund	-	-	126,286	-
USS Stark Memorial Fund	-	-	1,984,788	-
The Ilgenfritz Fund	370,954	-	-	-
Military Services Support	60,000	-	60,000	-
Clegg Fund	724,805	-	676,925	-
Neuman Fund	670,076	-	565,139	-
Lowell Reade	-	580,000	-	580,000
	3,513,808	1,830,000	5,543,050	1,830,000
Total funds				
Time restricted	3,956,116	-	4,051,835	-
Beneficial interest in Behannon Perpetual Trust	-	635,179	-	583,138
Total restricted net assets	\$ 7,469,924	\$ 2,465,179	\$ 9,594,885	\$ 2,413,138

Temporarily restricted net assets are available for the following purposes:

Joseph A. McAlinden Working Divers Scholarship Fund - To fund research of ocean agriculture by Navy working divers.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note H - Restricted Net Assets (Continued)

Pentagon Assistance Fund - Financial assistance to surviving spouses and children of the naval personnel killed as a result of the terrorist attack on September 11, 2001, and those killed in the theater of combat operations during the war on terrorism in Afghanistan, which provides for the Society to act as a guarantor of sufficient funds for tuition, books and fees for each of the surviving spouses and children to obtain a four-year, post-secondary university degree or equivalent technical/vocational training. Additionally, each surviving spouse is eligible to receive a distribution of \$50,000 and each surviving child will be eligible to receive \$125,000 upon reaching his or her 21st birthday. Since spouses and children of naval personnel who may lose their lives in the theater of operation during the ongoing Operation Enduring Freedom are also beneficiaries of this fund, it is not possible to estimate any reasonable future disbursement amount for this purpose.

USS Cole Memorial Fund - Financial assistance to surviving family members of the personnel killed as a result of the terrorist attack on October 12, 2000, and funds for the design, construction and maintenance of a USS Cole memorial and annual memorial flowers. The Society anticipates making disbursements to the 11 children for a total amount of \$1,375,000 as each child reaches his or her 21st birthday. The Society has also agreed to be the guarantor of sufficient funds for tuition, books and fees for each of the 11 children to obtain a four-year, post-secondary university degree or equivalent technical/vocational training. Since the Society is not the first payer of educational benefits, and since it is unknown how many of the children will pursue future education opportunities, or what the future costs of tuition will be for those who do request education assistance, it is not possible to estimate any reasonable future disbursement amount for this purpose. During 2013, the USS Cole Memorial Fund exhausted all monies in the fund. All future payments to support eligible beneficiaries will be paid out of the Society's unrestricted operating funds.

USS Stark Memorial Fund - To aid surviving spouses and children of U.S. Navy personnel killed or permanently disabled as a result of the May 1987 attack on the USS Stark. The fund was disestablished by the Board of Directors in accordance with provisions of the original Memorandum of Understanding. Remaining funds as of December 31, 2013, were moved to unrestricted funds.

The Ilgenfritz Fund - The Society received a partial distribution from the Ilgenfritz estate in 2013 directing the funds be used to provide educational assistance to children of active duty and deceased members of the Naval Services (Navy and Marine Corps). If the total received is in excess of one million dollars, the fund will become permanently restricted to the donated corpus.

Military Services Support - To provide financial assistance for Society-wide programs, restricted to interest income only for a period of 10 years.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note H - Restricted Net Assets (Continued)

RADM Courtney G. Clegg (MC) and Mrs. Margaret H. Clegg Scholarship Fund - To provide education scholarships to eligible dependents of the Navy and Marine Corps.

Major Joel L. Neuman USMC Scholarship Fund - To provide educational assistance to eligible Sailors, Marines and their families

Permanently Restricted Endowment Funds

Permanently restricted net assets are restricted to investment in perpetuity, the income from which is expendable to support its intended purpose. Permanently restricted net assets are available for the following purposes:

Scholarships for Children of American Military Personnel (SCAMP) - To provide scholarships through the Travers Scholarship Program (\$250,000 corpus).

Selfridge Fund - To assist widows and minor children of deceased officers and enlisted men of the U.S. Navy and Marine Corps (\$1,000,000 corpus).

Lowell Reade - To be used at the unrestricted discretion of the Society (\$580,000 corpus).

Interpretation and Adoption of Relevant Law

Management and the Board of Directors of the Society have interpreted the District of Columbia "Uniform Prudent Management of Institutional Funds Act of 2007" (the Act), absent explicit donor stipulations to the contrary, to require the Society to act in good faith and with the care that an ordinarily prudent person in a like position would exercise under similar circumstances in making determinations to appropriate or accumulated endowment funds, taking into account both its obligation to preserve the value of the endowment and its obligation to use the endowment to achieve the purposes for which it was donated. The Society classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment required by the applicable donor gift instrument, if applicable.

Investment Policy

Permanently restricted funds are invested to provide long term growth of capital to meet the future obligations of the funds in accordance with the respective donor covenants establishing them. Another consideration and objective of the fund is to prudently manage risk by diversifying investments in a manner that lowers overall volatility of the funds' corpus. An asset allocation of 50% to 70% in equities, 20% to 50% in fixed income, and 5% to 10% in other asset classes is maintained.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note H - Restricted Net Assets (Continued)

Spending Policy

In making a determination to appropriate or accumulate funds in an endowment, the Society adheres to the standard of prudence prescribed by the Act as well as donor stipulations, and considers the following factors:

- The duration and preservation of the endowment fund
- The purposes of the institution and endowment fund
- General economic conditions and market cycles
- The effects of inflation and deflation
- The expected total return from income and appreciation of investments
- Other resources of the Society
- The investment policies of the Society
- The changing financial needs of the Society's clients, i.e., demands for the services and programs of the Society

Funds with Deficiencies

From time to time, the fair value of assets associated with the individual donor restricted endowment funds discussed above may fall below the level that the donor requires the Society to retain as a fund of perpetual duration. In accordance with U.S. GAAP, deficiencies of this nature are reported in unrestricted net assets. As of December 31, 2013 and 2012, there were no funds with deficiencies.

Other Permanently Restricted Funds

The Society holds a beneficial interest in the Mozelle Behannon Charitable Trust, a perpetual trust which is valued at the fair value of the Society's one-third share of the assets in the trust. The Society receives an annual income payment which is used to fulfill the Society's mission.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note H - Restricted Net Assets (Continued)

Changes in permanently restricted net assets are as follows for the years ended December 31:

	2013	2012
Permanently restricted endowments		
Permanently restricted assets fair value, beginning of year	\$ 2,041,768	\$ 1,848,103

Behannon Trust fair value, end of year	\$ 635,179	\$ 583,138
Total permanently restricted net assets	\$ 2,465,179	\$ 2,413,138

Temporarily Restricted Funds

The remaining portion of donor-restricted funds that are not classified as permanently restricted are classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Society. Net assets are released from donor restrictions by incurring expenses satisfying the restricted purposes or by occurrence of other events specified by the donors. Temporarily restricted funds for which the restricted purpose is satisfied in the year they are received are classified as unrestricted revenues on the statements of activities.

Investments at market value	\$ -	\$ 1,984,788
Grants made	16,094	17,023
Amounts released to unrestricted net assets in fund dissolution	2,358,308	-

Note I - Contributed Services/Facilities/Equipment

Donated services are recognized as contributions if the services create or enhance non-financial assets or require specialized skills, are performed by people with those skills, and would otherwise be purchased. No contributions of services were recorded in the financial statements for the years ended December 31, 2013 and 2012.

The Society receives substantial benefit from services provided by active and retired members of the Navy and Marine Corps and their spouses. These volunteer services totaled an estimated 297,000 hours and 299,000 hours in 2013 and 2012, respectively. The value of these volunteer services is not included in the financial statements.

Navy-Marine Corps Relief Society

Notes to Financial Statements (Continued)

Note I - Contributed Services/Facilities/Equipment (Continued)

In addition, the Navy and Marine Corps donate the use of office space and other services at various military installations around the world. The value of these donated facilities has not been reflected in the accompanying financial statements and is not presently determinable. Space occupied by the Society's Headquarters in Arlington, Virginia during 2013 and 2012 was valued at \$661,531 and \$533,003, respectively, which is recorded in the financial statements as contributed revenue and rent expense.

The Society, from time to time, is provided the use of government furniture and equipment in accordance with Title 10 of the U.S. Code and agreements reached between the Society and the Navy and Marine Corps. In 2013 and 2012, the Society was provided with \$336,699 and \$499,200, respectively, of computers and related equipment and software and recognized the donation as a contribution in the current period. The equipment is being depreciated over a five-year useful life in accordance with Title 10 and the Society recognized \$137,265 and \$14,064 in depreciation expense for 2013 and 2012, respectively.
